

HOW TO ORDER

We remind that photos on a website don't show the real size of our products (You have access to size information) and images which were added to the web are in a random decorations. You decide in your order what you want and customize decoration to the product.

If you looked at our assortment, you should look at decorations too because these are two important informations to order like : NUMBER of form and NUMBER of decoration.

Next go to 'Download' and get file with the name OderForm. (To open this file you need Microsoft Excel or OpenOffice). There is a list of products which you can order.

After you open the file search your 'NUMBER of form' and write in correct column 'NUMBER of decoration' and 'Quantity'.
